Forward-Looking Statements

Certain statements in this press release constitute "forward-looking statements." When used in this communication, the words "will," "expects," "anticipates," "estimates" and "believes," and similar expressions and statements that are made in the future tense or refer to future events or developments, are intended to identify such forward-looking statements. Such forward-looking statements are subject to risks, uncertainties and other factors that could cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include, but are not limited to, the extent and duration of the disruption to business and customers related to the COVID-19 pandemic, levels of consumer confidence, competition, changes in consumer preferences including equipment preferences, ability and speed to ramp up distribution in the new facility in Rialto, business conditions in the coffee industry and food industry in general, weather and special or unusual events, as well as other factors described from time to time in our filings with the SEC. These statements are based on management's current expectations, assumptions, estimates and observations of future events and include any statements that do not directly relate to any historical or current fact; actual results may differ materially due in part to the risk factors set forth in our most recent annual, periodic and current reports filed with the SEC. Undue reliance should not be placed on the forward-looking statements in this communication, which are based on information available to the Company on the date hereof, and the Company assumes no obligation to update such statements.
